

Tile Wash-Board HYDRO-SPONGE

with 10 mm HYDRO sponge

HIGH QUALITY
**MADE IN
GERMANY**

Art.-Nr.: 48142810

Art.-Nr.: 2-5010-00

Features

- 10 mm HYDRO sponge, 140 x 280 mm
- Less water in the sponge reduces the risk of washing out the joint
- Less water left on the washed-off tiles
- Especially recommended for washing off large format, smooth, rectified tile coverings.
- Ideal for rewashing and basic cleaning of ceramic coverings
- Suitable for all roller attachments or squeezing attachments
