

Nivelliersystem - CLASSIC

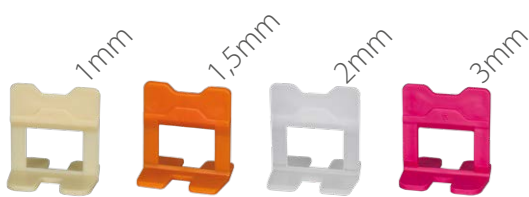

Perfectly level wall and floor tiles

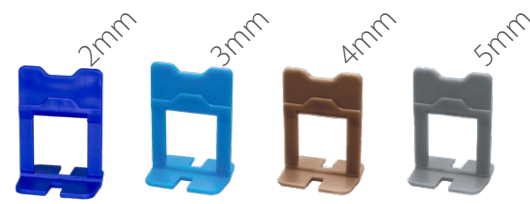

SCAN ME

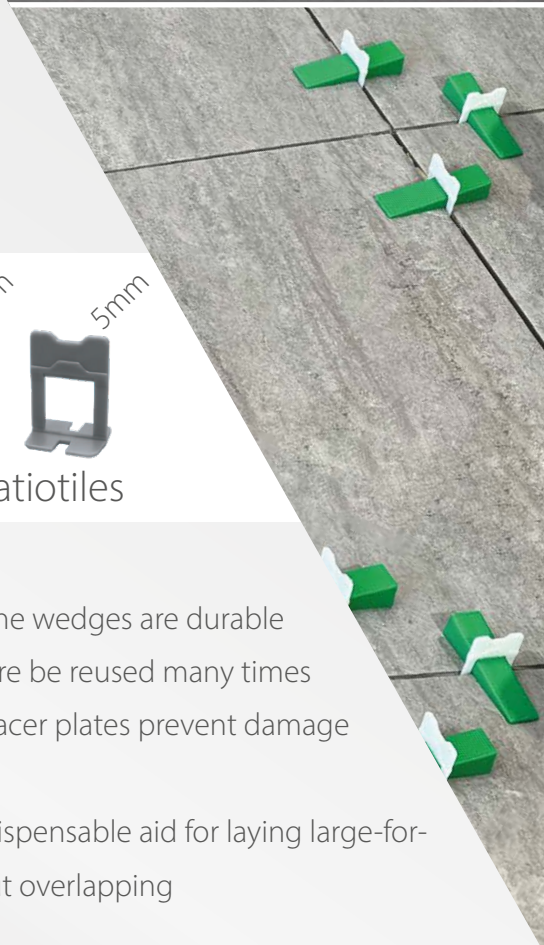

The classic!

Tiles 1mm to 13mm high

13mm - 22mm high patiotiles

Features

- **Practical:** Fast, secure and level laying of wall and floor tiles
- **Versatile:** Leveling Spacers for different tile thicknesses and joint widths
- **Easy to use:** With the pre-adjustable pliers, you always achieve the optimum contact pressure
- **Sustainable:** The wedges are durable and can therefore be reused many times
- **Protection:** Spacer plates prevent damage to sensitive tiles
- **Precise:** An indispensable aid for laying large-format tiles without overlapping
